Description

We provide all types of translation services both to individuals and companies, ranging from court-certified translations, expert translations for all types of business documentation, interpreting (simultaneous and consecutive), editing and proofreading, desktop publishing, transcription - to business consulting.

Eurotranslate is a translation agency, located in Belgrade, founded in 2006, providing translation services for a wide range of industries, both in the foreign and domestic markets.

Given our widespread network of translators and court-certified interpreters, we can provide translations for more than a 100 of different languages. We specialize in the languages of the Balkans and Eastern Europe, combined with all the major world languages.
