Bilateral Meetings

- Wednesday 12:00-15:00

Description

The Association of Employers Zenica was established in July 2012. The founders were 15 reputable companies with headquarters in the Zenica Municipality. The association operates as a non-governmental, non-profit organization and in the meantime has steadily increased its membership. We operate on the principle of voluntary membership of privately owned companies. The vision of the Zenica Employers Association is focused on the organization and continuous improvement of the business environment, with a focus on: • creating a stimulating and stimulating business environment; • unburdening employers; • suppression of the grey economy; • improving liquidity; • reducing fiscal and parafiscal charges to employers.
