- Wednesday 12:00-15:00

Description

ConVita Ltd. represents a new type of business consulting and business process management based on a combination of business reporting, analysis, planning, marketing and information technology. Improvement and business development is the primary task of business consulting which we provide to our clients, and knowledge-based economics and business-based consulting is the basic feature of a business concept we apply in practice.

Professionalism in business, a large number of completed projects and our satisfied clients are a confirmation of the quality and sufficient morale for our further work. on Vita Ltd. is a company that has, in a relatively short time period, succeeded in building the reputation of one of the most reliable consulting companies in Bosnia and Herzegovina. We provide consultant services in the areas of business improvement, writing project applications, implementation and realization of EU projects, and marketing services. ConVita d.o.o represents a new type of business consulting and business process management based on a combination of business reporting, analysis, planning, marketing and information technology. Improvement and business development is the primary task of business consulting we provide to our clients, and knowledge-based economics and business-based consulting is the basic feature of a business concept we apply in practice. We strive to define and implement the most advanced solutions for a wide range of needs aimed at development and improvement our client's business. A guarantee for a practical applicability and efficiency of our services is made from excellent knowledge of the business environment in the region. Experience and deep understanding of the business environment in B&H and countries in the region of the founder of the company together with the highly educated employees and the expertise of external associates who are engaged on a project basis are a prerequisite for the top level of business consulting services.
