

Sanja Lazarevska

CEO

For Lady DOOEL

<https://fourtwentytwo.eu/> ; <http://forlady.com.mk/>

Bilateral Meetings

- Wednesday 12:00-15:00

Description

For Lady Ltd. exists on the Macedonian market for 24 years, in which we have established our position as a quality Macedonian manufacturer of tights and socks. The primary cause of our project was development of an innovation - bio-degradable tights and socks, products which besides its primary use as part of people's clothing, will offer antibacterial protection, cosmetic care with Aloe Vera and the non-negligible element of ecological responsibility to the consumer.
